

Storage Policy

With our enormous growth and limited space, we need to do whatever necessary to make room to set cars for our next sale. Please remove your inventory as soon as possible so that we are able to turn our lot in a timely manner.

The Monday following the sale all sold units will be transported to our 35th Ave Storage Lot at the buyer's expense (\$75).

A \$15 per day storage fee starts on day 6 from date of purchase.

"IF" sales are binding until 12 p.m. on Thursday after the sale

Thank you,
Management
