Attention Dealers:

Effective Thursday, September 9, the following arbitration policy will take effect:

Hail Damage and Missing Emissions Equipment:

Seller disclosure is required for vehicles having hail damage and/or missing emissions equipment, regardless of sale light or other announcements.

The buyer must arbitrate for these conditions **before the vehicle leaves the gate**, not to exceed seven days. It is the buyer's responsibility to have the vehicle properly inspected before exiting or having the vehicle transported.

Thank you,
Management
